

Title: Oncogene Addicted International Lung Cancer Summit

Scientific committee: Stefano Tamberi, Chiara Bennati, Manolo D'Arcangelo

VENUE: Ravenna, Istituzione Biblioteca Classense, Sala Muratori

DATE: June 16-17, 2023

Language: English

PROGRAM

June 16, 2023

13:30-14:00 Institutional greetings and meeting introduction:
Authorities: *Michele De Pascale, Tiziano Carradori, Mattia Altini, Francesca Bravi*
Scientific Committee: *Stefano Tamberi, Chiara Bennati, Manolo D'Arcangelo*

Lecture

14:10-14:30 How biomarker landscape has changed in the last years
Giulio Rossi

EGFR

14:30 – 14:50 Update on early stage disease treatment
Andrea Ardizzoni

14:50 – 15:10 Advanced disease: first-line options and other insights
Luis Paz-Ares

15:10-15:20 Q&A

ALK/ROS-1

- 15:20-15:40 Update on inhibition of ALK/ROS1 tumors
Marcello Tiseo
- 15:40-16:00 New generation ALK and ROS-1 TKIs
Ignatius Ou
- 16:10-16:20 Q&A
- 16:20-16:40 **Coffee break**
- 16:40-17:00 Lifestyle interventions in lung cancer: the AUSL Romagna experience
Chiara Bennati
- 17:00-17:30 Patient perspectives
Patient advocates
Dr.ssa Patrizia Saccenti, tbd
- 17:30-18:00 Take home message
Manolo D'Arcangelo, Chiara Bennati

June 17, 2023

KRAS, MET and BRAF

- 09:00-09:20 New options for KRAS/BRAF/MET mutated lung cancer
Shirish Gadgeel
- 09:20-09:40 Novel strategies for hard-to-treat oncogenes
Chiara Ambrogio
- 09:40-09:50 Q&A
- 09:50-10:20 Patient Perspectives
Patient advocates
Debbie Stein-Pickworth BRAF bombers; KRAS kickers
- 10:20-10:35 **Coffee break**

HER-2, RET, NTRKs and emergent oncogenes

- 10:35-10:55 Harmonization of access to molecular diagnostics in Italy
Massimo Di Maio
- 10:55-11:15 Evolution of lung cancer pie-chart and treatments
Roberto Ferrara
- 11:15-11:35 Early phase trials for new target agents: past, present and future
Manolo D'Arcangelo
- 11:45-11:50 Q&A

Resectable disease: The role of target and immune-directed therapies

- 11:50-12:10 Present and future perspectives
Francesco Gelsomino
- 12:10-12:20 Q&A
- 12:20-12:50 Take home message and ECM
Stefano Tamberi, Chiara Bennati

Light lunch
